And to get what you wish, Only just for a moment, These are
dangerous woods. Let the moment go,

Don’t forget it for a moment, though. Just remembering you’ve

had an “And” when you’re back to “Or” Makes the “Or” mean more than it
Baker's Wife

did before. Now I understand...

(Sighs, starts walking faster)

End

And it's time to leave the woods!

(Begins counting her steps offstage. She stops, retraces her steps and begins to exit in another direction. She realizes she is lost)

Vamp
stop on cue

(She begins to go in yet another direction, when we hear the approach of the Giant in the distance. The sound moves steadily toward her. In panic, she backs up. Loud noise and dramatic light change as Baker's Wife screams and falls backwards. Blackout)
