To Benefit:
Nashua Actorsingers
& NHS Music Boosters Association

Overlook Country Club, Hollis, NH

July 15, 2003

Dear Sir or Madam,

The Nashua Actorsingers is a forty-nine year old non-profit, award-winning, local community-theatre group. We are actively involved in supporting the arts in the area through membership and participation in NH Community Theatre Association festivals and events, and membership in NH Community Theatre Organization. The Actorsingers also awards scholarships each year to Nashua area high school seniors who have demonstrated an interest in the arts and the community.

This year, we are determined to give back still more to the community, by adopting a local arts organization, sponsoring a fundraising event, and sharing the proceeds with the adopted organization. The event is the "Drive for the Arts" golf tournament and auction, and the adopted organization is the Nashua High School Music Boosters Association.

The NHS Music Boosters Association supports the high school music programs in a myriad of ways; they encourage and support interest in the music program, assist the music directors, stimulate community support, chaperone and organize events, and organize fundraisers and disburse funds to help students defray the costs of music related events, band camp, uniforms, and trips. Without the NHS MBA, many students would be unable to afford to participate in the high school music program.

We are seeking donations and corporate sponsorships for the "Drive for the Arts" golf tournament and auction. The event will be held on Tuesday, August 26 2003, at Overlook Country Club, 1 Overlook Drive, Hollis, NH. Enclosed is a Corporate Sponsorship/Silent Auction Donation form. If you are interested in becoming a sponsor and/or making a donation to help support the arts in New Hampshire, please complete and return the form by August 15th to:

Actorsingers • c/o David Cote • PO Box 753 • Wilton, NH 03086

We have also enclosed a Golfer Registration form for individual use, and request that you post it or make it otherwise available to your employees who may be interested in attending. Thank you for your assistance.

Sincerely,

Rich Glynn & David Cote,
co-chairs, 2003 Drive for the Arts
